CONGRESS.

it was dangerous for us to go. All history taught that with a currency of a fluc using value as ours was tending to be come, apeculation was encouraged and monetary rain hastened. The low would always fall on the producers as the importers would protect themselves. Referring to the effect of silver in India. Mr. McPherson exclaimed: "God forbid that the American laborer abolid ever come to a condition like that of the laborer of India." The blow simed by the silver men at bloated bond holders, Mr. McPherson insisted, would strike with ten-fold force on the head of the laborer. The Government bad permitted its financial agent, Jay Ocoke, with the fold force on the head of the laborer. The Government bad permitted its financial agent, Jay Ocoke, and Complying with the the recomposition of the bond was payable in gold. (Mr. Mc-berson insisted, would serve the continued of the appointment of post the bond was payable in gold. (Mr. Mc-berson insisted on the provided of the proposition in the the appointment of post in Maine alleged to have been Mr. McPherson replied that it made with the continued of the provided of the provid

Mr. Blair, from the Committee on Education and Labor, reported favorabily the bill to add in the establishment of common schools, the same bill that passed the Senate the last Congress:

Adjourned.

\*\*Benne of Representatives.\*\*

Washiroron, Jan. 6.—In the House the eall of States for the introduction of bills and resolutions was resumed, the cloudying were introduced and referred:

By Mr. Sensy, of Ohio—To repeal the Civil Service Act; also to retire the trade dollars.

By Mr. Wilkins, of Ohio—To provide the trade dollars.

By Mr. Wilkins, of Ohio—To provide the Civil Service Act; also to retire the trade dollars.

By Mr. Wilkins, of Ohio—To provide for the issue of circulating notes to National Banking associations.

By Mr. McMillan, of Texas—Requesting the Previous to give notice of the termination of the convention of 1873 with the Hawaiian Islands.

By Mr. Resgan, of Texas—To incorporate the Allantia and Pacific Sing vrong was discovered; the the directorys at Ohio—To provide with the directorys at Ohio—To provide the termination of the convention to one of the termination of the convention to the directorys of 50,000 in securities.

By Mr. McMillan, of Texas—To incorporate the Allantia and Pacific Sing vrong was discovered; the town to the directorys and the town to the opportunity of the providing only the termination of the convention between the United States and Mexico.

By Mr. Resgan, of Texas—To carrye into operation the convention between the United States and Mexico.

By Mr. Reswart, of Texas—To carrye into operation the convention between the United States and Mexico.

Bills were introduced for the serection of public buildings at Roseburg, Oregon City and Portland, Oregon. Before the City of the City

those of a speculative turn. He desired to see allyer in circulation currence with gold, but the failure of the best efforts to get if into this condition was afforted into the mountains. They then took his pistol and refrested into the mountains are would be of no avail in that are would be of no avail in the strength of them to be the same band as the world was afforted to get the world with gold. The mountains are would be of no avail in that are world be of no avail in the direction. We were all embarded on the same great voyage, debtor and are with large, well shed horses then to be the same band show the same should be of the same band as the world was a same and the world be of the world of the same band as the world was a same and the world be of the world be on the same great voyage, debtor and are world be of the world be on the same great voyage, debtor and are world be on the same great voyage, debtor and the world be on the same great voyage, debtor and are world be on the same should be of the world be on the same great voyage, debtor and the world be on the same great voyage, debtor and the world be on the same great voyage, debtor and the world be on the same great voyage, debtor and the world was allowed to the same world be on the same great voyage, debtor and the world be on the same great voyage, debtor and the world be on the same great voyage, debtor and the world be on the same great voyage, debtor and the world be on the same great voyage, debtor and the world be on the same great voyage, debtor and the provided the same world be on the same great voyage, debtor and the world be on the same great voyage, and the world be on the same great voyage was an administration. Year's faltion of the for Assertin Warkin Warking Warking and the week of the week of many side magnificant fruit town lots that were unoccured with seeds now yield magnificent fruit town lots that were unoccured with seeds now yield magnificent fruit town lots that were unoccured with seeds now yield magnificent fruit town lots that were unoccured with the seed of the seed o

has recent action of the transconital railway pool in firing through senger rates, by which San Diego a not put 'on the list' with Los Ansa and San Francisco, is causing a rege amount of rather vigorous "kick." of Baynelimate. The through at to San Diego, it will be recollected, ran fined by adding to the over hand rate the local rate from Colton to the former place. Thus sotton has incensed the San Diego papers, and they have ever since been engaged in the heated operation of "jumping onto" the offending railroad magnates who dared to put such an indignity upon the "Future Great." Following is a moderate example of the editorials that have been free off bloot this effair. It is from the Sun, which shines for all San Diego, and goes into the matter of freights also:

More than ever do we think that the signs of the times point to is railroad war amone the transcontinental roads. The act of the pool in feet cluding San Diego input the same pashenger rates as Los Angeles and San Francisco was not done with the consent or approval of the Atlans and importing a care and the Atlans and in mority of the contract of the pool There is but one resource, and that is to withdraw from it. That involved greate the hard involved a greate to have greated the pool There is but not eresource, and that is to withdraw from it. That involved a great such as important step without weighty consideration. A it present they are getting very little for handled freight to San Francisco, and after getting very little for handled freight to San Francisco, and the feet of the pool of the contract step without weighty consideration. A it present they are getting very little for handled freights commercial possibilities are now being weights. A law small become and decision. San Diego content of our san of our San Diego content of our weight of

baiance, and if she is not all the possible of the possible o farther than the torner. Unargue F. J. Tarr. addition... assenger travel and freight traffic, 8 dates, dwelling... equitable, must be based on dis-traversed; and it is wrong for the Caleb Lee, dwelling... traversed; and the form and for the caleb Lee, dwelling...

The following highly unimportant semi-official intelligence is telegraphed from Washington to this wicked and of deve

The further juley information is imparted, with an elaboration of descriptive detail so voluminous as to make it impracticable, in this brief life, to "get it impracticable, in this practicable, in the United States when the long before we will begin to receive tidings of "Mariar" and the kid.

This United States is sending abroad about \$3,000,000 worth of locomotives are provided in 1883-84, there were sent to the Argentine Republic, 65; United States of Colombia and Panema, 49; Merco, 34; Brastl, 32; Chili, 19; Central America, 13; Cuba, 14; San Domisgo, 25; Regland and British colonies, 42; Sweden, 3. Or, to Mexico and South America, 214; Cuba, Spain and San Domisgo, 25; Regland and British colonies, 42; Sweden, 3.—2892.

Powramarks Grawal, Villas hiss managed to get clear of upward of 7,000 "off-fensive partisans" in the postofices of the order of the fourth cleas, too asmill for the President to bother with. In he had turned 'them out of office for the reason that "they were Republicana," and put good men in for the reason that "they were Republicana," and put good men in for the reason that "they were Republicana," and put good men in for the reason that "they were Republicana," and put good men in for the reason that "they were Republicana," and put good men in for the reason that "they were Republicana," and put good men in for the reason that "they were Republicana," and put good men in for the reason they free doing it. Mercon and the control of the order of the order doing it. Mercon and the control of the order of the order do

man army are immense. According to the report at the close of the military manouvres this fall, the German army counts at present fall egiments of regular infantry, 20 battailons of light infantry, 20 battailons of avalry, 37 regiments of cavalry, 37 regiments of avalry with 341 batterns of six guns, and 19 battailons of closes and should not be the same than the country of the same thing, though we do not consider the constant of the same thing, though we do not consider the constant of the same thing, though we do not consider the constant of the same thing, though we do not consider the constant of the same than the constant of the same than the constant of t
